Abstract Submission Guidelines

- All submitted research must comply with international standards for animal welfare, ethical conduct, and data protection.
- The work must be original and not previously published or presented at another conference.
- The submitting author must ensure that all co-authors have consented to this submission.
- Please use the **Official Abstract Template** and strictly follow the provided instructions.
- The abstract must be written in English and include the title, authors, affiliations, and structured text body.
- The abstract text body must not exceed 250 words (excluding the title, authors, and affiliations).
- File naming format: Surname - College - Category (e.g., Chang - AiCVIM - Neurology).
- The submitting author is designated as the 'presenting author' and will serve as the primary contact for all Congress communications.
- Please indicate your preferred format (Oral or Poster) during the submission process. Note that the final allocation is determined by the Organizing Committee based on peer-review scores, author preference, and the Congress schedule. Authors of high-scoring posters may be invited to give a short 'flash' oral presentation.
- Submissions must be made via **online Google Form**, and files must be uploaded in .docx format.
- You will receive a formal submission confirmation within three working days. If you do not hear from tcvs.tw@gmail.com by then, please contact us.
- Presenting authors of accepted abstracts are required to register by October 31, 2026. Failure to register by this date will result in removal from the scientific program.
- A registration special rate applies exclusively to the presenting author of an accepted abstract.
- The Organizing Committee reserves the right to publish accepted abstracts in the official Congress proceedings.
